

MAGNET IMPLEMENTATION GUIDE FOR 2020-2021

@PowellesPLAY

Powell Center for Play and Ingenuity Magnet
Elementary

We know that this school year will be like no other! Our whole school family will begin the year with a new “2020 Domain” that will focus on our theme of Play and Ingenuity and applicable components of Conscious Discipline to build unity during a time when lessons will be delivered in a virtual format. Students will practice innovative thinking, problem solving, and creating. They will engage in active dialogue with their teachers and peers, testing and refining ideas and sharing the results of their endeavors. Student agency will be given precedence through their activities and projects. In order to meet the many needs of our students, we all will need flexibility and grace as the school year continues. We hope to answer any questions you might have about our magnet implementation for this school year during the first "Bagels with Brower" Google Meet on Friday, August 28th at 1:00 PM. (You can access a recording here: [Bagels with Brower: Domains/Electives](#))
