

POWELL MAGNET ELEMENTARY SCHOOL

Center for Play & Ingenuity

MAGNET TRANSPORTATION

**Choosing a school also means choosing transportation.
Make sure both fit the needs of your family.**

- Verify the type of transportation you are eligible for by searching for your address in the Base School Locator at <http://wwwgis2.wcpss.net/addressLookup/> (opens in new window)
- As a whole-county magnet school, many Powell magnet families will need to provide their own transportation to school.
- Express stop bus transportation is available to families in specific geographic areas of Wake County.
- Magnet families will either receive neighborhood busing or need to provide their own transportation to school or to an express bus stop.
- Powell Neighborhood and Express routes can be found on our website at [Transportation Powell Bus Routes](#) (opens in new window)
- After 30 days from the start of school, Transportation may accommodate requests for busing for magnet students if spaces are available. For questions regarding transportation, please contact WCPSS Transportation at 919-805-3030 or visit <https://www.wcpss.net/Page/43> (opens in new window)
