

Phone Message 1/6/17

All WCPSS students in grades 7-9 will participate in a lesson on Human Trafficking. At Carnage, counselors will present this through Science classes. Today, 8th grade students received a letter with an overview of the program. The 8th grade letter is also on the Carnage website. 8th grade lessons will begin next week. 7th grade students will receive a letter at the beginning of February. If you would like to opt your student out of the presentation then you much do so in writing to the school principal.

The PTSA has launched its Carnage Cash, a direct donation fundraiser. All donations go right back to our students and teachers to help fund technology, classroom activities, cultural arts, curriculum development, teacher & staff morale programs and more. Your child received a green flyer in homeroom with more details about how to give, or you can go the CarnagePTSA.org to donate online. Thank you so much for your support. Any amount is appreciated.
