2025 Top Magnet School of Excellence Award

It is my pleasure to let our school community know that Carnage Gifted & Talented / AIG Basics Magnet Middle School has been named a 2025 Top Magnet School of Excellence by Magnet Schools of America, the national association for magnet and theme-based schools. Top Magnet School of Excellence Awards are only given to a select group of magnet schools.

To receive a national merit award, members of Magnet Schools of America must submit a detailed application that is scored by a panel of educators. These schools are judged and scored on their demonstrated ability to raise student academic achievement, promote racial and socioeconomic diversity, provide integrated curricula and instruction, and create strong family and community partnerships that enhance the school's magnet theme. To learn more about the national merit awards program, please visit www.magnet.edu

Magnet Applications

The magnet application window closes January 23. All rising 9th graders who want to remain in a magnet pathway must reapply by this deadline. <https://www.wcpss.net/Page/189>

Spring AIG Nomination Window

The Spring AIG nomination request for testing is open and will close on January 24. The Spring testing will take place from January 27-February 7. This is the final testing for the 2024-25 school year. Note that students who are already AIG identified need not test again. Please complete this Google form to nominate a student for testing: <https://forms.gle/ehAWs4MzH8MkUsDc6>. A virtual parent meeting was held in September to provide information on the identification process. Please see the recording of this meeting under the AIG tab of the school website or contact Maurine Maul, AIG Coordinator at Carnage Magnet Middle School, with any questions: mmaul@wcpss.net

NC Check-In #2 - English Language Arts

We will have our second NC Check-In for ELA on Tuesday, January 28. It is important that students arrive on time to school that day. There will be no checkouts until testing is completed around 10:00am.

The NC Check-Ins 2.0 at grades 3–8 are the through-year formative component of the North Carolina Personalized Assessment Tool (NCPAT) system. The purposes are to

- provide educators, students, and stakeholders with immediate and detailed feedback on student performance on grade-level-specific content standards to inform instruction for individual student's needs; and
- provide a reliable estimate to inform a student's end-of-grade (EOG) assessment experience.
