Course Registration for 2025-26

We are getting ready for the course registration process where students will select courses they want to take next school year. During the month of February, grade-level counselors will visit classes and do an overview lesson of the registration process. At that time, our current 6th and 7th graders will receive the elective registration sheet to start determining what courses they want to register for in PowerSchool. Counselors will then go back to classrooms and help students enter their registration choices on the computer.

Our current 8th graders will follow a similar procedure based on their assigned high school. We will also host a virtual parent night for rising 9th grade families on February 20. Please review this flyer with important information:
