Welcome Back

I hope that our students and families had an enjoyable spring break. Welcome back - it's hard to believe we are down to the last quarter of the school year!

End of 3rd Quarter

The 3rd Quarter will end on Tuesday, April 9. Please be sure to review PowerSchool with your child to see where their grades currently stand. Please contact teachers directly with any questions you may have regarding their class. 4th Quarter electives will start on Thursday, April 11.

Course Registration for 24-25

Counselors have met with students to help them key their registration choices into PowerSchool. Parents can view their child's course registration requests in PowerSchool. Over the next couple weeks, counselors will conduct the clean up process to make sure that students entered their choices accurately. As a reminder, students currently in 6th and 7th grades will only register for electives and not core classes - those will be put in later. All course registration information can be found here: <https://www.wcpss.net/domain/5504>

Questions about registration should be directed to the grade level counselors.

Please note the audition/application information and deadlines for certain courses.

Single Subject Acceleration - SSA

The test request form for SSA testing will open up on April 1. The Google form will be linked on our school's website on that date. Please see the slideshow about SSA in "AIG" under the "Academics" tab on the Carnage site for more information: <https://www.wcpss.net/domain/12613>

Student Medication

Please review the following WCPSS information regarding student medication:

<https://www.wcpss.net/Page/167> As a reminder, it is important that school staff are aware of student health conditions in case of emergency. Please contact school nurse Ms. Toni Burno at tburno@wcpss.net with questions. The school nurse is only on campus on selected days as she works with multiple schools.
