### **Human Trafficking Lessons by Student Services - Grade 8**

In the upcoming weeks, counselors will be delivering a lesson regarding Human Trafficking Safety for all 8th grade students. NC Senate Bill 279 mandates that all students in grades 7-9 receive instruction concerning trafficking prevention and awareness. The district will honor passive consent regarding opting students out of this lesson. Parents wishing to opt their student out of this lesson must do so in writing to Elizabeth Coccarelli, 8th grade school counselor, prior to the presentation of the lesson ([ecoccarelli@wcpss.net](mailto:ecoccarelli@wcpss.net)).

### **WCPSS Student Engagement Survey**

Students in grades 5-13 will be asked to complete the annual WCPSS Student Engagement Survey. Your child will be given an opportunity to complete this survey during the school day.

The survey includes questions about their school experience, including topics such as teacher-student relationships, relevance of school work, and future aspirations and goals.

The results of this survey help schools monitor their School Improvement Plans, and help the district track student perceptions about their educational experiences. Student responses to individual questions are not shared with the school.

You can [click here to review the questions included on this survey](#) and [click here to review results of the survey from previous years](#).

If you would prefer your child not complete the survey, please contact your child's school by 4/15/25,
