This is Eric Rosen, Principal of Carnage Magnet Middle School, with a special 8th grade Trojan Messenger.

### **3-Year High School Graduation Information for Middle Schoolers**

Dear 8th grade students and families,

North Carolina House Bill 259 requires us to notify our current enrolled 8th grade students of a new opportunity once they go to high school. This legislation allows students to apply to be a 3-Year Graduate once they are in high school.

Wake County Schools values the high school experience and believes that high school provides students with an opportunity to expand their academic pursuits and interests. However, we also realize that this opportunity may be of interest to some of our families.

A presentation to provide you with additional information about the 3-Year Graduate option is posted on our website under the "Students" heading and then "Three Year HS Graduation."

Additional information and opportunities to ask questions will be provided by your students' high school at the start of the 24-25 school year.

**Thank you for your support of the Carnage Magnet Middle School Trojans!**
