## Trojan Messenger 4.7.24

This is Eric Rosen, Principal of Carnage Magnet Middle School, with your Trojan Messenger.

As a reminder, this message will be emailed and texted via School Messenger. It will also be posted with the archives on our school website under the "Principal's Message" button: <https://www.wcpss.net/Page/10642>

## Solar Eclipse Information - April 8

The 2024 Great North American Eclipse will happen on Monday, April 8, 2024. In North Carolina, the partial eclipse will begin around 1:58pm and peak at approximately 3:15pm when the moon obscures about 82% of the sun.

School will continue to operate normally during this time - which includes our dismissal beginning at 2:20pm. During 8th period, teachers may choose to show televised footage of this experience in their classroom. During dismissal, it is critical that students remember that **IT IS NEVER SAFE TO LOOK DIRECTLY AT THE SUN'S RAYS, EVEN WHEN THE SUN IS PARTIALLY OBSCURED.** We need parents to reinforce this message as students will be expected to follow this direction independently as they go to carpool, the bus, walk, etc. at dismissal time. Student athletes will remain inside until after the peak and then will need to follow the same guidance independently if they are outdoors.

## Single Subject Acceleration - SSA

The test request form for SSA testing closes this week. The Google form is linked on our school's website on the AIG page. Please see the slideshow about SSA in "AIG" under the "Academics" tab on the Carnage site for more information: <https://www.wcpss.net/domain/12613> Note that SSA does not include high school courses, so if your child is in 7+ or a higher math course, there is no SSA math test for them to take. Questions should be directed to our AIG coordinator, Mrs. Maurine Maul at mmaul@wcpss.net.
