Transportation for 24-25 Information

WCPSS Transportation is preparing for the next school year. Please read all of the important information below.

Check Your Transportation Status

View your student's 2024-25 Transportation status via your student's Homebase/Powerschool account. Sign up for an account at your student's school. More information on Home Base is available at www.wcpss.net/student-information.

Your student's AM and/or PM transportation codes will display "Y" (yes) or "N" (no) for the 2024-25 school year until routes are posted. Routes usually are posted about 10 days before the start of the school year.

- If your student's code is "Y" and your student will be using transportation next school year, no action is required.
- If your student's code is "N" and you would like for your student to use transportation next school year, please submit a transportation request.
- If your student's code is "Y" and your student will **not** be using transportation next school year, please submit the decline bus form at www.wcpss.net/declinebus.

If you need further assistance with bus service, contact your student's school.

Transportation Request Deadlines

If you are not currently registered for transportation but would like service next school year, you **must** request transportation by the deadline listed below for your student's school calendar to ensure service on the first day.

Please only request service if you plan for your student to be a regular rider. Students who don't ride consistently will be removed from bus rosters. To register, go to www.wcpss.net/busrider.

Deadlines:

- Year-round calendar schools (regardless of track assignment): May 29
- Modified calendar schools: June 17
- Traditional calendar schools: July 15
