## **Trojan Messenger 5.27.25**

This is Eric Rosen, Principal of Carnage Magnet Middle School, with your Trojan Messenger. This message will be emailed and texted via School Messenger. It will also be posted with the archives on our school website under the "Principal's Message" button: <https://www.wcpss.net/Page/10642>

### **Student Schedules for 25-26**

WCPSS is transitioning from PowerSchool to Infinite Campus as the student information management system for 25-26. As part of this process, we had to create our overarching master schedule for the new year earlier than normal. However, individual student schedules are still completely in simulation and draft format. Anything that is showing in PowerSchool is only a draft. Student schedules will continue to change throughout the summer until they are officially released in August close to the start of school.

Please do not reach out to teachers, counselors, or administrators about the 25-26 school year schedules as they are not complete or finalized until the release in August.

### **Electronics during Testing**

Please note that during our state testing this year, personal electronic devices will be collected by the teacher/test administrator and held in a ziploc bag with the student's name. They will be returned after testing is complete. This process is to prevent students from accessing electronics during any part of the testing process which may cause a misadministration.

### **Band Concert**

Thursday, May 29 - 3:30 and 6:30pm - Auditorium - no cost for entrance

### **Testing Begins Next Week**

Please review the test and end of year calendar below. It is critical that students get to school on time during testing so that we can get everyone tested. Students that arrive late may not be able to test on that day and will have to wait in a designated location until testing is over around 11:30. Additionally, students will not be checked out during the testing window each day. Any early checkouts will need to happen after testing has concluded.
