## **Trojan Messenger 8.21.24**

This is Eric Rosen, Principal of Carnage Magnet Middle School, with your Trojan Messenger. This message will be emailed and texted via School Messenger. It will also be posted with the archives on our school website under the "Principal's Message" button: <https://www.wcpss.net/Page/10642>

### **Student Schedules for 24-25**

Student schedules are now "released" in PowerSchool meaning that students/parents can go in and review them. Please be reminded that students made 20 course choices during the registration period. We work very hard to make sure that students get as many of those choices as possible. However, based on the overall master schedule design, course seat availability, grade level, the combination of choices that a student made, etc., a student may not receive some of their top choices or may be assigned to an elective course(s) they did not choose.

We will have a schedule correction process over the next several days. This is primarily to make corrections (ex: the same course twice in the school year, a hole in the schedule, etc.) but you can submit "other" and detail your request. We will review all requests and a response about whether it is approved or denied will be sent via email. Please complete the Schedule Correction Google Form here if you are requesting a correction:

<https://forms.gle/4EoLh3rtW5eap6JfA>

Please do not also send emails to staff members about the same request you submit in the Google form.

### **6th Grade Academy Parent Presentation**
