Credit by Demonstrated Mastery (CDM)

Credit by Demonstrated Mastery (CDM) is the process by which a student may earn credit for a high school course by demonstrating a deep understanding of course content, without course enrollment or seat time. The CDM process requires students to complete a two-phase assessment and meet the expected targets in order to demonstrate mastery of the course content.

Full information can be found on the website: <https://www.wcpss.net/domain/15753>

Questions can be directed to our school-based CDM coordinator, Maurine Maul, at mmaul@wcpss.net.
