

MemberHub Sign Up

MemberHub is the primary way you will receive electronic communication about school-wide and PTA events. Please complete the below and return the form to a PTA representative or to your child’s teacher. The information below will be placed into a secure (username and password secure) database accessible to Hunter families only. You can set your visibility preferences once your account is created.

By filling in the below you will be able to:

- **Receive the School-wide Virtual Monday Folder.** This communication will contain updates, information and reminders for the week ahead.
- **Receive Classroom Updates & Reminders.** Your child’s teacher and the classroom parent(s) will communicate with families via MemberHub.
- **View Classroom & School Directory.** Once you are entered into MemberHub (by completing the below), you will have the option to add your name, or not, to the class and school directory. The directory is helpful way to communicate with families outside of the school day.

If you have any questions, please contact Nicole Johnson at nicolejohnson@nc.rr.com. Thank you for providing a way for us to communicate more effectively with you and your family.
