WALKER APPLICATION
2019-2020

Please complete the application below and return to the school office or your child's teacher to have your child go home as a "walker." Walkers **walk** to school and must live within a one-mile radius of the school. On the days you wish to drive your child to school, you must use the carpool line to drop your child off in the carpool loop. On the days you wish to pick up your child from school you must display a carpool number and utilize the carpool loop. **You may not park and walk to receive your child from the walker dismissal site.**

Once you have completed this application, *Walker Cards* will be issued, one for your child's bookbag and one for you. When you come to pick up your child at dismissal, you must present your *Walker Card* to the staff member on duty at the walker dismissal site. The main dismissal site is the front kindergarten hall exit.   The staff member will verify and then release your child to you. If you do not have a *Walker Card*, you will need to come to the office to sign your child out. If the front exit is not convenient, please use the back site located at the 300 hall near the palace. Indicate which exit you prefer on this application. Please include all children on one application and complete **one form per family**.

Any student without a *Walker Application* on file will not be released and must be checked out through the office.
