Welcome Farmington Woods Kindergarten Families!

It is my pleasure to welcome you all to the Farmington Woods IB/PYP Magnet Elementary School family as a kindergarten student/family! As a member of our school community you have joined a worldwide community of International Baccalaureate schools. We love our magnet program and are so excited to have families choose to join us in our work. Students at Farmington Woods IB/PYP are supported in becoming inquirers and thinkers but also in becoming internationally minded and developing a global awareness. We have skilled teachers, wonderful students and a supportive school community. Our school was named a national Magnet School of Excellence in 2018 and was also recognized in 2018 as the Top Elementary Magnet School in the Nation. We look forward to sharing our school family with your family.

To assist you in preparing for your child's transition to kindergarten this year, our Kindergarten Team has put together several documents to assist your family. Please review the enclosed information as there are some items that should be addressed prior to the start of school, such as health assessments and immunization records. Additional information to Frequently Asked Questions for kindergarten students can also be found on our website: <https://www.wcpss.net/domain/5220>

Additional information is also being added for the school year at <http://fwes.wcpss.net> in the About Our School section- we hope to have all updated documents and information loaded by August 1<sup>st</sup>. Additional starting school information for the entire school community will be sent at the beginning of August to ALL Farmington Woods families, so be on the lookout for this second mailing, too.

If you have any questions, please do not hesitate to contact us so that we can assist you in the transition to our school:
