

Meet the PE. TEACHER

Mr. Neiger

ABOUT ME

After growing up and going to school in Ohio, I have very much enjoyed living most of the last 33 years here in Raleigh. I've taught Physical Education for nearly 13 years, all in the WCPSS and most of which have been at Green. I hope to contribute to the enrichment of your child during the 2021-22 school year.

FAIRNESS

2021-22 GOAL

I will ride my bike to school two times per week.
