

meet the AIG TEACHER

Mrs. Ashworth

ABOUT ME

Hello Green Family! I am Mrs. Ashworth, the AIG Teacher at Green. I have been teaching for 23 years in Elementary, Middle, and High Schools. I am a Raleigh native and a product of Wake County Public Schools. This is my 3rd year at Green Elementary, and I love to build relationships and work with all grade levels of students here at Green. I am always excited to help students develop their skills, talents and leadership abilities as they grow and learn. When I am not at school, I love to read, walk, cook, dance as well as spend time with my Cockapoo puppy (JJ) and my husband Bob. My favorite place to visit is the beach where I love to swim in the ocean. I am excited for the new learning opportunities that each school year will bring!

2020-21 GOAL

I will exercise 3 hours per week.
