ABOUT ME

Hi there! My name is Carolyn Mitchell and I am the Instructional Facilitator here at Green. I have been with the Green family for 7 years now and have been teaching for 11 years total. This November, I will graduate from UNC Pembroke with my Masters in School Administration. I am excited for this new adventure! I live in Raleigh with my husband Wes and daughter Parker. We also have 2 dogs (Gamble and Sammie) and 2 cats (Dre and Biggie). In my free time I like to craft, read, run, and spend time with my friends and family.
