ABOUT ME

Hi! I'm Lauren Lankford, and I'm so excited to begin my 9th year at Green Elementary! I graduated from UNC-Chapel Hill with a Bachelor's Degree in Elementary Education and went on to earn a Master's Degree in Curriculum and Instruction. Go Tar Heels!! Before transitioning into my coaching role, I taught Kindergarten, first grade, and second grade. My biggest passions are early childhood literacy and educational equity. When I'm not working, I love to read, crochet, travel, and make memories with my precious family.
