Ms. Whitley

LOVE

2021-22 GOAL

I will walk at least 7,000 steps a day 5 days each week.

ABOUT ME

Hello Green friends and family, I am Amy Whitley and I am excited to start another school year at Green Elementary as an ESL teacher! I have been at Green since 2013 and what keeps me here is how wonderful the staff and students are to work with! This year will be my 13th year teaching and I have experience teaching ESL, 4th grade and 6th grade math. To sharpen my saw, I enjoy spending time with my family and friends, taking my dog, Calvin, on adventures, cooking, riding bikes, swimming, and sleeping in on the weekends.
