FAIRNESS

2021-22 GOAL

I will make time for physical activity at least 4 times per week throughout the school year.

ABOUT ME

Hi, I am Ms. Lisa, the School Occupational Therapist at Green Elementary! I have been a pediatric OT for a really long time and serving students in Wake County Schools for the last seven years. I am married and have two boys in middle and high school in Wake County. We love taking family road trips and going to concerts and footballs games and we have an adorable puppy named Louie who we all adore! When I am not working or taking care of my boys I love to read and do yoga. I am so happy to be serving Green Elementary this year!
