

WAKEFIELD HIGH SCHOOL

Student Parking Contract 2019-2020

Be sure that both you and your parents read and understand this document before you sign it and before you purchase a parking pass. You cannot purchase a pass if you owe fines or fees or have textbooks to turn in.

Parking Procedures

Parking is limited and we cannot guarantee all students requesting parking will receive a space. Seniors have priority. Two students may share a space; all rules and regulations will be enforced for both students. Both students must turn in all required paperwork. The agreement between students to share a parking space will remain in force for the entire school year.

- The fee of **\$200** is set by the Wake County Board of Education.
- Parking registration is available **July 1-August 23**. **You can obtain the application either online or at the school.**
- If you do not register between July 1st and August 23rd, you must wait until AFTER the first week of school.
- You are able to pay online, but you won't be able to register your cars online. All paperwork, including proof of payment, paid fines, receipt of payment and car registration(s) must be turned in at the school's main office in order to draw for a space.
- Call the school main office at 919-562-3600 to inquire about status of any fines.
- If you drive a different car to school, it must be registered BEFORE you park. If the car you are driving is not registered, you will be ticketed. **Register all the cars you MAY drive throughout the school year.**
- Students MUST hold a valid driver's license at the time of registration. LEARNER PERMITS ARE NOT ACCEPTED.
- Students violating parking rules and regulations (*see page 2 of this document*) during the school year are subject to ticketing (*all parking fines are \$10.00*) and/or revocation of parking privileges.

Vehicles parked in unauthorized areas may be towed at the owner's expense.

-Students desiring a day pass for parking should purchase the pass at the front desk BEFORE parking. Temporary parking is \$5 a day. A replacement hang tag is \$5. Temporary parking will not be available if you owe ANY fines or fees.

-Disabled vehicles may not be left on campus. Handicapped parking is state-mandated only. Parking for students disabled due to injury may be obtained on an individual basis in the main office.

- All drivers must abide by the NC General Statutes regarding vehicle operation and seatbelt usage when on school grounds. Students must wear their seatbelts when entering, exiting, and while driving on campus. Speeding and reckless driving are prohibited. Vehicles must not travel in excess of 10 miles per hour while on campus.

-The school is not responsible for damages to or theft from vehicles. Students are cautioned NOT to leave valuables in their vehicles. Parked vehicles should be left with windows closed and doors locked.

-Loitering in the parking lot is prohibited. Students should lock their cars and leave the lot upon arriving at school. Written permission is needed from an administrator, the SRO, or the parking attendant to be in the lot during school hours.

-Vehicles are subject to search and seizure (Policy 6600) if there is reasonable suspicion that drugs, alcohol, weapons, stolen property or other contraband are present. School Board Policy 6430 prohibits the possession or use of tobacco products on campus.

-Refunds for fees are made if the student moves out of the Wake County Public School System. All refunds will be made pro-rata, based on a \$20 per month not used basis. - Voluntary withdrawal from school (dropping out)
- Long term suspension from school
- School-based disciplinary action related to loss of parking privilege
- Loss of driving privilege due to revocation of operator's license

- The student purchasing a parking tag is the only person who may park in the spot identified by the number on the tag. One tag is issued per student/parking spot and it may be moved from one registered vehicle to another. The hang tag may not be loaned to another student.

- If a student holding a parking space transfers within WCPSS, he/ she will be assigned a space at the new school with no payment due (original tag must be returned to the original school.) If no space is available at the new school, the original school will make a refund.

-Students who operate a motor vehicle on campus should understand their duties, responsibilities and the parking rules and regulations as listed above. Under School Board Policy 7180, students who violate parking regulations are subject to the following consequences: revocation of parking privileges, ticketing and disciplinary action or criminal charges as prescribed by law. All school parking fines are \$10.00. If towing is enforced, fees will be set by the towing company.

I have read and do hereby agree to abide by the rules and regulations set forth by Wake County Public Schools and Wakefield High School regarding parking and operating a motor vehicle on school grounds.
