We will waive student parking fees for the 2020-2021 school year as long as we are in plan B or plan C status. - Parking is available to licensed seniors, juniors and sophomores as approved by the Principal. Parking a vehicle is a privilege. No student may park on campus without registering the vehicle and purchasing a pass. For changes in registration or to register additional cars, present paperwork to the front office.
- In the event that more students request a parking space than there are spaces available, seniors will have priority for a space, and remaining spaces will be available to juniors via a parking lottery.
- Parking permit applications will be available to drivers with a valid North Carolina Driver's License only as announced by the Principal.
- All students who park a motor vehicle on campus must display the current hanging tag permit.
 - The tag must be hung from the inside rear view mirror facing the front of the vehicle. Students who fail to properly display the tag will be ticketed or have their tags revoked.

- Vehicles may not be left on campus overnight. If necessary, towing should be arranged by the student.
- If a student holding an assigned parking space transfers within WCPSS during the year, he or she will be assigned a space at the new school with no further payment of fees provided the original parking tag has been returned to the office of the previous school. If no space is available at the new school, the originating school will make the refund.

 - b. Long-term suspension from school,
 - c. School-based disciplinary action related to loss of parking privilege, or
