For the 2019-2020 school year, ACES will be continuing the "BYOD" (Bring Your Own Device) program. Students in grades 3-5 will have the option to bring a personal internet enabled device to use for instructional purposes in the classroom. In order to bring a device, students must have a "BYOD Contract" on file in the office. While any device that can connect to our BYOD wireless may be used, small laptops, chromebooks, or tablets with keyboards will be the most useful devices. Students will not need to bring devices the first day of school. More information on our BYOD program will be available at "Meet the Teacher" and on our website at <https://www.wcpss.net/abbottscreekesbyod>.
