

THE ABC'S OF YMCA AFTER SCHOOL PROGRAMS

Kerr Family YMCA

Starting a new school year is a big step! The YMCA is here to help with child care programs that kids love and parents trust.

The Y handpicks each youth counselor. We look for a passion for working with kids, enthusiasm and the ability to be a positive role model. Y staff plan youth programs with safety and fun in mind.

If you need child care after school, before school, or on days when there is no school, check out YMCA youth programs.

YMCA Youth Programs

- The YMCA runs After School programs that serve your child's school.
- The Y offers Teacher Workdays & Holiday care on teacher workdays and many school holidays.
- YMCA Tracking Out is a full-day program for year-round school students while they're on break.
- Both Tracking Out program and Holiday care is run onsite at Kerr Family YMCA.

WE'RE SURE YOU HAVE QUESTIONS. THE Y HAS ANSWERS.

Safety is Our Top Priority

- We offer a competitive 1:12 staff-to-child ratio, with a senior staff member always on-site and in charge.
- We pride ourselves on getting to know each child personally.
- We ask about allergies and special needs on the registration form, and keep that information available at the program site.

Nurturing & Fun YMCA Staff

We group children together in "huddles" based on age and grade. Each huddle has one or two counselors who are responsible for the children's activities.

- Our after school program includes dedicated homework time in a quiet environment, counselors lead and supervise the kids through a wide variety of indoor and outdoor activities.
- YMCA After School programs are led by a team of high school and college-age students who are supervised by a full-time YMCA director.
- A senior staff member, called a site coordinator, oversees YMCA counselors and provides senior leadership at each After School program. The site coordinator is the on-site contact for parents, teachers and educators.

Pricing & Registration

During the week, students will participate in a variety of enrichment activities with opportunities for skill development, physical activity and fun. YMCA After School is held from school dismissal until 6 p.m. The YMCA offers two different ways to register for After School – by the year or by the week (may vary by program location). Registration for the 2024-2025 school year opens May 1 for members and May 15 non-members. For full school offerings check out our website!
