

Dear Families of Wake County,

You are invited to register your child/children for The Salvation Army Angel Tree program 2024!

This annual program is designed to assist families during Christmas. We never want families to have the burden of choosing between feeding their children and placing presents under the Christmas tree. To help families in need, The Salvation Army of Wake County partners with many generous individuals and businesses who collectively "adopt" angels from our Angel Tree to fill each child's wish list. Last year, our generous community fulfilled Christmas wishes for over 7,000 children!

If you are in need of assistance, live in Wake County, and have a child/children under the age of 12, you are eligible to register for our Angel Tree program.
