

**Individuals Not Enrolled at Apex Friendship High School – Homecoming Dance 2019**

An Apex Friendship High School student's receipt of this form indicates his/her intention to bring a date who is not enrolled at our school to our Homecoming Dance on October 12, 2019. As a result, the Apex Friendship student will assume responsibility as the "sponsor" of the date. In addition, the Apex Friendship student must submit this form with the required information at the time of his/her purchase of a ticket for the date. The completion of this form and its subsequent submission at the time of ticket sales is the only way an Apex Friendship High School student will be eligible to buy a date ticket for a person not enrolled at our school. The Apex Friendship student will not be permitted to purchase more than **one** date ticket for the dance.

In addition to the requirement of completing and submitting this form to purchase a date ticket for a person not enrolled at our school, both the Apex Friendship student and his/her date must adhere to the requirements listed below on the night of the dance.

1. The date and the Apex Friendship High School student must identify themselves by presenting a picture ID to the staff members at the check-in table upon their arrival to the dance. **No individual, regardless of his/her status as a current Apex Friendship High School student or date, will be admitted without a photo ID.**
2. The date and the Apex Friendship student must enter the dance at the same time. **An individual who is not enrolled at our school will not be admitted to the dance alone. If the Apex Friendship "sponsor" is not present with the date at the check-in table when the date arrives, the date will be denied admission and will be required to leave campus. Admittance to the dance may be denied after 9:15 PM**
3. No dance tickets at Apex Friendship High School are transferable. Thus, every ticket presented at the check-in table on the night of the dance must match the school's ticket roster in terms of the ticket number and name of the ticket holder. **Any discrepancies will lead to all individuals associated with this issue being dismissed from the dance.**
4. **AFHS administration reserves the right to deny admission to any school function if student conduct merits such action. Students and guests must follow the policies as outlined in the WCPSS Student Code of Conduct, School Board Policy 6410. (Alcohol sensors may be used prior to a student or guest being admitted to the dance.)**
