

Catamount Messenger 10.16.18 For Senior Parents

Good Morning, Panther Creek Families,
These items are especially important for families who have seniors:

Financial Aid Parent Night

Tuesday, October 23, 2018 at 6:00 pm

Parents will receive pertinent information about completing the FAFSA form and the financial aid options available for students.

College Application Week (October 15 to 19):

This week is College Application Week sponsored by CFNC (College Foundation of North Carolina). Many college and universities in North Carolina are waiving their application fees this week. School counselors will be available during SMART Lunch to work with seniors to help complete applications on CFNC. Seniors are encouraged to come by Student Services during SMART lunch to get help completing applications or to get questions answered and receive support as needed. Students can also complete applications on CFNC at home at <https://www.cfnc.org/index.jsp> All applications for participating schools must be submitted online through CFNC's website by 5:00 PM on Friday, October 19 for the fee to be waived by CFNC. Students will have to complete the NC Residency Application to apply which requires a parent/guardian tax return filing information, vehicle registration and driver's license number, social security number and voter registration information. If possible, please either complete the residency information prior to the application with your child or have the information readily available for your child to call you to obtain the information when working with Counselors during SMART Lunch. Seniors who have already started their college applications are welcome to meet with a Counselor during SMART Lunch as well to get support. Laptops will be available for students to use. List of participating colleges and universities is attached.
