Students arriving late should go directly to their assigned classroom upon arriving on campus. Students should not be in any area that are designated off-limits or any other section of the building without the written permission of the teacher or school administration. Students should use the main entrance when arriving and upon leaving campus.

Students will need to bring their chromebook and earbuds/headphones for use in class. Teachers will provide information about any other necessary supplies.

## Credit Recovery (Edgenuity)

One day in Summer School is equivalent to approximately two weeks of regular school. Thus, perfect attendance is necessary and expected.

1. Two (2) absences are allowed for a course. Upon the third absence, the student will be dropped from the course with a grade of “F” and no credit will be earned.
2. Please notify the Summer School teacher when your child is absent. Please make sure that you closely monitor your child’s attendance.
3. Students must be on time both at the beginning of class and at the end of each break.
4. Students may not go to the parking lot or off campus anytime during the scheduled school day.
5. Students who are tardy must report directly to the Summer School classroom.
6. Students should not be in any areas that are marked off-limits or any other section of the building without the written permission of the teacher.
7. The school day for Edgenuity classes is 3 1/2 hours in length.
  - ◆ Morning class begins at 8:00 AM and ends at 11:30 AM. Afternoon class begins at 12:00 PM and ends at 3:30 PM.
  - ◆ Summer School students arriving after 9:30 AM or 1:30 PM will be counted absent for the entire day.
  - ◆ Summer School students arriving between 8:45—9:29 AM (Morning Session) or 12:15—1:29 PM (Afternoon Session) will be counted absent for 1/2 day.
  - ◆ Students arriving between 8:01 AM and 8:15 AM (Morning Session) or 12:01 PM—12:15 PM (Afternoon Session) will be counted tardy. Excessive tardiness may warrant being dropped from the course with a grade of “F” and no credit will be earned.
8. Students must adhere to the attendance rules if attending Summer School on the Blended pathway and make adequate progress on modules (must complete 20% of assigned modules every 2 days at least or will be released from Summer School).
9. Students on the Offsite pathway must make adequate progress daily on their assignments. It is expected that students offsite complete work daily. The teacher will monitor progress and will notify student, parent, and administrator if the student is not completing 20 % of their modules every 2 days. Student will be excused from Summer School if they cannot uphold this expectation. Students on the Offsite pathway will also have to come onsite to take a cumulative assessment course assessment in Edgenuity.

### **Conduct:**

Students are expected to adhere to the Code of Student Conduct of the WCPSS. Students are reminded of some of the important policies and guidelines.

- Vandalism or abuse of school property may result in suspension and repayment for damages.
- Students referred to the Summer School administrator for disciplinary action may be suspended or may be required to spend time after school the day following the offense.
- Major infractions, as determined by the administrator, may result in removal from the Summer School program.
- Students may not smoke or use tobacco products on school property, including the parking lot.
