

Catamount Messenger 3.24.18

Good Morning, Panther Creek Families,
Here are a couple of items for your radar:

Registration for 2018-19 School Year: THIS WEEK

The registration process for 2018-19 courses is underway.

- Teachers have entered their recommendations in PowerSchool and students can view them. Remember, teachers are recommending courses within their own department and not looking at other teachers' recommendations. Students should determine an appropriate courseload when making their selections.
- Students have received the registration presentation from counselors either in English class or through an assembly in the auditorium.
- **THIS WEEK-** PowerSchool will be open for students to enter their course registration choices through **MARCH 29**. Counselors have been coming in to their 2nd period classes to help them make their choices in PowerSchool. Parents and students will be able to make changes in the system until **March 29**.
- April 25: Option Verification sheets will come home so that students and parents can review choices and make any changes.
- June 11: Last day to submit registration changes to counselors.

Family Survey

We are reaching out to families to get their input on how we can develop a stronger partnership to support student achievement! Be on the lookout for an email from Panorama Education that includes a survey link.

Student Workshop

Our next Entrepreneurial Workshop is April 21. These workshops are popular and are first come, first served. April's topic is Arts/Digital Media. Look for the link on our website <https://www.wcpss.net/panthercreekhs>

Dr. Camille Hedrick

Principal
