

Catamount Messenger 3.9.18

Good Afternoon, Panther Creek Families,
Here are a few items for your radar:

Registration for 2018-19 School Year

The registration process for 2018-19 courses is underway.

- Teachers have entered their recommendations in PowerSchool and students can view them. Remember, teachers are recommending courses within their own department and not looking at other teachers' recommendations. Students should determine an appropriate courseload when making their selections.
- Students have received the registration presentation from counselors either in English class or through an assembly in the auditorium.
- Now - March 29: PowerSchool will be open for students to enter their course registration choices. They will be assigned a day during their Period 2 class where counselors will come in and help them make their choices in PowerSchool. Parents and students will be able to make changes in the system until March 29.
- April 25: Option Verification sheets will come home so that students and parents can review choices and make any changes.
- June 11: Last day to submit registration changes to counselors.

Safety Notes

Vaping

We've seen a slight uptick in the number of students using nicotine products, mostly through e-cigs. This is a policy violation subject to disciplinary action, and is dangerous to students' health. Please see these links for more info on the dangers of the use of e-cigs

WAKE COUNTY
PUBLIC SCHOOL SYSTEM

We'd like to remind everyone that dropping off students on McCrimmon Parkway is dangerous to both the student and fellow drivers.

Please stop for pedestrians at crosswalks.

I hope you have a great weekend!

Dr. Camille Hedrick, Principal
