Dear Panther Creek Students and Families,

We regret to inform you that we recently discovered an unauthorized access to our information system. School and district staff reacted quickly to respond to the situation. We are cooperating fully with the Cary Police Department in this investigation.

A few students' grades were impacted and their parents have been notified. For all other students, all academic data (SATs, ACTs and GPAs, and grades) are accurate and remain unchanged.

Class ranking, however, was briefly impacted earlier this month for most seniors. Once class ranking is restored for all students so that it accurately reflect their grades, an unofficial copy of all seniors' transcripts will be mailed to their home address.

We will contact the universities and colleges of all students who sent or uploaded transcripts during this time period, and will send and upload corrected transcripts.

We want to assure you that we take our academic integrity as seriously as you do. We greatly appreciate the work of WCPSS Security, WCPSS Information Technology, Panther Creek Counseling Staff and the Cary Police Department for addressing this situation quickly. If you have any questions, please contact your student's counselor:
