What does SMART stand for?

Students
Maximizing
Achievement
Relationships and
Time

What can happen during SMART Time?

- Students can get additional support from their teachers
- Students can work or study independently based on their individual needs
- Club meetings
- Additional activities sponsored by teachers or staff

How does SMART Time work with our current schedule?

Students on campus will physically be in their 2nd period classroom. All students will be able to access their teachers on Google Meet (using ST codes) following the schedule above. Wednesday is an “asynchronous” SMART Time.
