

Carpool / Student Driver/Walker EARLY RELEASE FORM

Heritage High School

2023-2024 Spring Final Exams

Parents who wish for their student to leave campus following the student's exam administration should complete this form and send it with the student on each day of testing. This will authorize the student's early release (carpool or student driver) following his/her exam session. *Approximate* times are listed below for each day.

*****A separate form will be required each day of testing as the form will be collected each testing day*****

If the student does not have this form on the day of the exam administration, the student must remain in an assigned study hall area until school releases.

Once testing has started, students will not be allowed to enter or leave the testing area. Any student late to their testing session will have to report to campus on an alternate date to make up the missed exam.
