PARKING CONTRACT RULES and REGULATIONS 2019-20

- Parking applications will be available to North Carolina licensed drivers (no out of state licenses or permits) only as approved by the principal. The Wake County Board of Education has established $200.00 as the parking fee for the 2019-2020 school year. Fees will be reduced by $20 per month.
- Two students may elect to share a parking space. Each student may register up to 2 cars per space. The agreement between 2 students to share a space must be worked out between them; this agreement shall be kept in force the entire school year. All Wake County and Heritage High School Parking Rules and Regulations apply to both students sharing a space. Paperwork for both students must be complete.
- Students who park on campus MUST display the school issued hang tag at all times on the rear view mirror with numbers facing outward toward the front of the car. Students who fail to properly display the hang tag will be ticketed. Repeated failure to display the hang tag may result in parking privileges being revoked.
- Vehicles must park in assigned spaces. Vehicles must be parked front end first. Backing into spaces is not permitted per WCPSS policy. Students may not park on the road, driveway, intersection or other school campuses during the school day.
- Disabled vehicles may not be left on campus. Handicapped parking is state-mandated only. Parking for students disabled due to injury may be obtained on an individual basis in the main office.
- Temporary parking is $5 a day. Vehicles parked in unauthorized areas will be booted or towed at the owner’s expense. Students desiring a day pass should purchase the pass and receive a hangtag BEFORE parking in the lot. All paperwork must be on file.
- Vehicles must not travel in excess of 10 miles per hour while on campus. Along with other high schools around the state, Heritage is participating in the Governor’s Click It or Ticket: Securing Your Future Program. Students must wear their seatbelts when entering, exiting, and while driving on campus. Failure to do so will result in revocation of parking privileges.
- Speeding and reckless driving are prohibited and will result in revocation of parking privileges.
- Supervision is provided for parking lots; however, the school is not responsible for damages to or theft from vehicles. Students are cautioned NOT to leave valuables in their vehicles. Parked vehicles should be left with windows closed and doors locked.
- Vehicles are subject to search and seizure (Policy 6600) if there is reasonable suspicion that drugs, alcohol, weapons or dangerous instruments, stolen property or other contraband are present. School Board Policy 6430 prohibits the possession or use of tobacco products on campus.
- Only one tag will be issued per space. The tag may be moved from one registered vehicle to another but may not be loaned to students who are not registered for the parking spot. Original paperwork with changes MUST BE presented to the main office.
- Refunds for fees will be made if the student moves out of WCPSS. All refunds will be made pro-rata, based on a $20 per month not used basis. Early graduates must return parking tags for a refund. Tags may not be transferred to other students. Lost tags can be replaced for a $10 fee. Forged tags will be seized and parking privileges revoked.
- Mid-year graduates must purchase a full year pass and will be refunded $100 upon graduation and return of pass.

Parking fees will NOT be refunded for:
1. Voluntary withdrawal from school (dropping out)
2. Long term suspension from school
3. School-based disciplinary action related to loss of parking privilege
4. Loss of driving privilege due to revocation of operator’s license
- The student purchasing a parking tag is the only person who may park in the spot identified by the number on the tag.
- If a student holding a parking space transfers within WCPSS, he/ she will be assigned a space at the new school with no payment due (Original tag must be returned to the original school. If no space is available at the new school, the original school will make a refund).
- Loitering in the parking lot is prohibited. Students should lock their cars and leave the lot upon arriving at school. Written permission is needed from an administrator, the SRO, or the parking attendant to be in the lot during school hours.
- Students who operate a motor vehicle on campus should understand their duties and responsibilities. Under School Board Policy 7170, students who violate parking regulations are subject to the following consequences: revocation of parking privileges, ticketing, booting or towing at the owner’s expense, and disciplinary action or criminal charges as prescribed by law.
- Excessive tardiness to school or back from lunch, tickets, or fines for lost or damaged items may result in a revocation of parking passes. Student behavior and grades may also impact the privilege of driving to school.
- Parking a vehicle on school property is a privilege. No student may park on campus without registering the vehicle and purchasing a pass. Please review all regulations and call the school if you have questions.
- Once students arrive on the school campus, they may not step or drive off school campus without permission. Doing so will result in a loss of parking privileges. Off-campus lunch is a signed parental and school privilege reserved for juniors and seniors in cars only. No one may walk off-campus and cross Forestville to McDonald’s, etc. under any condition.

Parking Ticket Fines:
1. $5.00....(1) No parking tag; (2) Backing into a space; (3) Not parking in the lines
2. $10.00...(1) Vehicle not registered; (2) Not parking in assigned space
