

Strawbridge Studios is excited to photograph your senior! We look forward to taking beautiful portraits that will capture this momentous time in your child's life. You will receive either a letter or a postcard in the mail with the predetermined appointment time for your senior on it. In the event that you will be out of town the week we will be at your child's school, please follow the procedure outlined below:

How to reschedule your student's senior appointment:

1. Email SeniorAppointments@strawbridge.net and leave the following information:
 - a. Student Name
 - b. Name of the school the student attends
 - c. A phone number where you can be reached
2. You will be contacted by a Strawbridge Studios representative through email or phone to reschedule the appointment.

If you are rescheduling your student's appointment for a different week, your new appointment will likely be at a different school than your child's base school. Sitting fees and background options will be the same at each high school. We will also have the cap and gown colors for all schools available at each site to ensure your senior is photographed in the correct color. Below is a complete list of the date and location options for rescheduling an appointment:
