## Remote Learning Asynchronous Days – 1st Semester

October 7  
October 14  
October 28  
November 18  
December 2  
December 16  
January 6  
January 13

On asynchronous days, there will only be non-live instructional activities for students to complete. Teachers will not be completing live instructional activities with the whole class. For attendance purposes on asynchronous days, teachers will provide directions about how to be marked present for the period in their weekly schedule.

The following state-mandated remote learning days were already scheduled into the calendar for 1st semester:

November 23  
November 24  
December 11

*These days also function as asynchronous days.*
