

## NCTAP Information Session

The North Carolina Triangle Apprenticeship Program (NCTAP) [www.nctap.org](http://www.nctap.org) offers **apprenticeships and free college!**

### [NCTAP | NCTAP Apprenticeship program in Raleigh, NC](http://www.nctap.org)

NCTAP apprenticeship program is designed to develop experts needed in the modern workforce. The program, based in Raleigh, North Carolina's Triangle area, focuses on integrated basic training which develops technical, methodological, and social skills.

[www.nctap.org](http://www.nctap.org)

The NCTAP work/study program is geared for students who have mechanical and mathematics aptitude, and who would like hands-on work in a high tech manufacturing environment. Ms. Barone has visited several of the companies that host this program and can personally attest to the fact that this is a FANTASTIC opportunity with excellent pay! Since this is a highly competitive program, applicants need to be self-motivated and willing to go the distance in the application process.

GHHS will host a student **information session with a visit of representatives from NCTAP on Thursday, 10/17 during A lunch in the Auditorium.** Questions should be directed to Ms. Barone at [cbarone@wcpss.net](mailto:cbarone@wcpss.net)
