

Green Hope High School Parent Newsletter – August 2019

Supporting your teens through their high school years is a big – and important – job! Green Hope High School staff knows about the joys and strains of these years. We offer a myriad of opportunities for parents to come together, stay connected to your teens, and support them as they journey toward independence. Our staff can talk with you about curriculum, college, careers and contemporary issues. We offer a personalized approach to meet your needs. Just pick your mode, your date and your topic!

Falcon Coffee – 1:00pm

Once a month parents have an opportunity to sit down and chat with the GHHS Principal. There's no agenda and no speaker – just parents and the principal sitting down and talking. Please check in at the main office.

Dates: * Sept 9 * Oct 14 * Dec 9 * Jan 13 * Feb 10 * Mar 16 * May 11

Family Academy Seminars – Starts at 6:30pm

These are small group sessions about a variety of relevant topics for parents throughout the year. Sessions will be offered in October/November and then February/March. Choose the sessions you would like to attend. Look for the flyer on the website this fall.

Deliveries

Parents, please refrain from deliveries during the school day such as lunch, instruments and equipment. We do not accept instruments or equipment in the front offices or call students out of class to receive them. For safety reasons, students are not allowed to meet vehicles on carpool lane, the street or anywhere else during school hours.

Student Services Seminars

Senior Parent Night: *graduation, college applications, scholarships, financial aid, post-secondary options*

Junior Parent Night: *ACT, SAT, post-secondary options*

Freshman & Sophomore Parent Night: *academic planning, post-secondary college and career options*

Communication

For primary school-wide communication, we'll use our GHHS website, GHHS Twitter account, and/or our School Messenger system. We encourage all parents and students to check our school website weekly.

WCPSS Mission: Provide a relevant and engaging education and graduate students who are collaborative, creative, effective communicators and critical thinkers.
