

Green Hope High School Parent Newsletter – August 2020

Welcome to 2020-21! As parents of teens you’ve got a unique gift in front of you this year! All of us who have teens in our charge—parents, mentors and educators—we have the opportunity to support our youth through an authentic paradigm shift. The Green Hope High School staff is totally committed to maintaining our connections as we travel together 2020-21. While our school year will look different, our support for our students remains steadfast. We’ll offer multiple environs for families and students to hear more about the curriculum, college, careers and contemporary issues. We’re in this together!

Communication

For primary school-wide communication, we'll use our GHHS website, GHHS Twitter account, and/or our School Messenger system. We encourage all parents and students to check our school website weekly.

Parent Teacher Student Association (PTSA) Welcome

As the 2020-2021 academic year is upon us, we would like to extend a warm welcome to new and returning GHHS students, parents, faculty, and staff. This year will undoubtedly be a new experience for all and we are looking forward to growing and learning together as a community while keeping our Green Hope traditions alive! We welcome and value your positive energy and dedication to excellence in our community. With all of the changes happening, this is going to be a challenging year. We recognize communication as a top priority and will act as a conduit to keep you informed via social media, websites, and email. Additionally, the PTSA will be working in close collaboration with the administration team, teachers, and student organizations and clubs to make this year a success. The board meetings are held the first Monday of the month (unless a holiday) at 7 pm. They are currently virtual. The next meeting will be on Monday, September 14th. Please join the PTSA to help support the Green Hope High School Family. Membership will be virtual this year. You can go to http://ghhsptsa.org/Join_PTSA.html#donation_button
