

Students,

Thank you for your interest in Mu Alpha Theta (National Math Honor Society).

Expectations of club members:

- Must be a rising Junior or rising Senior – rising Sophomores and rising Freshmen may join as "associate members"
 - o Associate members are not official members of the club but are welcome to attend club meetings and participate in club activities. Associate members must meet all other requirements.
- Must have (and maintain) an unweighted GPA of 3.5 or greater in their Math classes.
- Must have completed Math 3 – or an equivalent course.
- Must be committed to volunteering at the Math Tutoring Center after school and/or at lunch.
- A certain amount of service hours will be required to maintain club membership.

Application Instructions:

- The application is online and can be found at: <https://bit.ly/36aYP8K>
- The application includes a brief summary of some personal information, a short 500-word essay, and a teacher recommendation.
- The deadline to submit your application is ~~Sunday, May 17th~~ **extended to Friday May 29th at 11:59pm**. Applications submitted after this point will not be considered.

Teacher Recommendation:

- Please have either a current, or former, math teacher write you a recommendation for Mu Alpha Theta. The recommendations will be done through a google form. Please provide your teachers with the following link for their recommendation:
<https://tinyurl.com/MAT-TeacherRec2021>
- Make sure you give your teachers ample time to fill out the recommendation.

Acceptance decisions will be made by ~~June 5th~~ **June 15th** and will be announced via email. Instructions on accepting your position in Mu Alpha Theta will be included in that email. Dues typically are between \$11-20. I hope to have more information on dues once decisions on applications are made.

If you have any questions, please contact Mrs. Walden by emailing twalden@wcpss.net

Thank you,
Mu Alpha Theta Team
