

Extracurricular Activities

Extra-curricular activities play a vital role in helping students to develop crucial soft skills such as leadership, responsibility, dependability, honesty, cooperation and communication. We offer a wide range of activities to meet the diverse needs of our student body. More info can be found on our homepage under the [Activities](#) tab. Green Hope High School houses **over 70 clubs/organizations, Athletics, Band, Chorus, Orchestra, Theater, and more.**

All Wake County Public School System and Green Hope High School rules apply to the regular instructional day **as well as extracurricular activities and other events** affiliated with the school, including activities off campus and such behaviors that may affect the safe and orderly environment of the school.

Some barriers to participation in extracurriculars may include academic standing, discipline record, fines/fees, and suspensions. Please see the GHHS Family Guide for details.

Clubs and Activities

As a school, we are committed to ensuring that our students are challenged, inspired, and prepared to reach their full potential as contributing members of a complex and changing global community. With that being said, we understand the importance of providing students with opportunities to lead and serve in a variety of capacities. Included among these opportunities are opportunities to participate in a range of student-driven clubs/organizations within our school. We encourage all students to find a place to become involved and participate in activity opportunities at GHHS.

Students can contact school faculty (in person best) to discuss interest and ideas. Once a school faculty sponsor is agreed upon, students can make an application for review by GHHS administration. Applications for the next school year are due in May of the current school year. The application process may be opened again in August. See school website for more information. [Activities](#).

Athletics

Green Hope High School, home of the Falcons, has twenty-three different [sports programs](#) with a strong winning record. Green Hope Athletics have achieved 46 State Championships, 9 Wells Fargo Cup State Championships, 73 Regional Championships, and over 175 Conference Championships!

Participating in high school athletics has long-lasting definitive benefits in an environment that challenges and rewards the growth mindset. Student-athletes develop lifelong habits that transcend high school. Three of the most important participation takeaways that students continue to practice after graduation are: 1) a stronger sense of self-confidence in building relationships with others and having an expanded capacity for empathy; 2) developing a better understanding of self and in so doing understanding how their actions affect others; and 3) building foundations for lifelong fitness habits.

To participate in Green Hope Athletics, follow these [instructions](#) for our Ticket To Play through DragonFly Max. All student-athletes must have an up to date physical and 100% cleared in DragonFly Max before attending tryouts or attending a practice.

Green Hope Athletics is thankful for the support of our Booster Club. Their generous support has enabled our student-athletes to excel on and off the field/court. Checkout this [site](#) on different levels of Booster Club Memberships and All Sports Passes. Booster Club President, Tim O'Neill, can be reached at ghhsboosterclub@gmail.com.

Green Hope High School and the Wake County Public School System are cashless ticketed events. Tickets can be purchased ahead of time using [GoFan](#). Credit card readers will be available to purchase tickets at the gate.
