Dear Green Hope Students and Families,

Welcome to 2019-20! I hope you had a great summer and are refreshed and ready to learn and grow!

Your teachers, counselors, administrators and staff have been working hard all summer. We're ready to provide a relevant and engaging education so that all of our students graduate as collaborative, creative, effective communicators and critical thinkers.

We expect all of our students to:

R- Respect everyone as individuals

I encourage all of you to reach out to your teachers with questions and concerns. Our website is a great resource. Also, for your information, our 2019-20 Counselor/Administrator assignments are:

Dates to remember:

Sincerely,

Camille Holmes Hedrick, PhD
