HRES GARDEN

AUG. 22-SEPT. 8, 2019

*“In this garden we will be...
thoughtful, observant, curious,
studious, helpful, & kind
to all things, big and small”*

HRES students & staff: would you like your artwork to be displayed at our school? Selected photos will be mounted & added to our garden art gallery in our stairwell hallway!

Step 1: Visit the school’s butterfly & bird habitat garden. Don’t forget your camera.

Step 2: Take some photos. Invite friends to join you!

Step 3: Upload your favorite photo to our garden’s Facebook page or email your photo to Rachel Woods.

Search for Holly Ridge Elementary School Garden on Facebook to join our closed group & submit your photo or email Rachel at rachel@dragonflynature.com. Please include a photo caption, name & grade + teacher with your photo. Have fun and good luck!
