

NC STATE Design

# Digital Design Camp 2021

**Digital Design Camp is a virtual, pre-college summer program organized by the NC State Design Lab for high school and middle school students to discover multiple design disciplines.**

Digital Design Camp engages students in the study of design and how design impacts all aspects of our everyday lives. Critical thinking skills and creative experience gained at Digital Design Camp prepare students to be innovative problem solvers who can tackle the challenges of the future.

# Summer 2021

## DESIGN FOUNDATIONS

Rising 6th, 7th, and 8th Graders  
MON-FRI JUNE 21-25

A week-long introduction of design thinking and the design process for middle school students. Campers will explore a variety of design disciplines offered at the College of Design through 3 design projects with synchronous instruction.

*Cost: \$400 (includes instruction, Camp in a Box\*, and guided activities)*

## DESIGN EXPLORATIONS

Rising 9th, 10th, 11th, and 12th Graders  
MON-FRI JULY 12-16

A week-long exploration of design thinking and the design process through five discipline-specific studio projects: architecture, landscape architecture, industrial design, graphic design, and art + design. Campers will participate in a variety of synchronous and asynchronous instruction to complete projects and participate in activities that broaden their understanding of design and explore paths of a design major in college.

*Cost: \$500 (includes instruction, Camp in a Box\*, and guided activities)*

## DESIGN IMMERSIONS

Rising 11th and 12th Graders  
TUE JUNE 15 (Orientation)  
MON-FRI JULY 26-30 AND AUGUST 9-13

An immersive, pre-college program that introduces students to the fundamentals of design and the process of creating portfolio quality projects in a virtual studio environment. Participants will experience self-guided, summer-long assignments and two weeks of synchronous and asynchronous instruction to create one studio project preparing them for college study in design and beyond.

*Cost: \$500 (includes instruction, Camp in a Box\*, and guided activities)*

*\*Camp in a Box will be mailed to campers before their camp and will include all the basic items needed for Digital Design Camp studio projects. There will be additional supply lists for students that are specific to studios they will be working with. See website for more information on materials for Digital Design Camp.*

### Digital Design Camp is for:

- Students eager to learn more about design in a college environment
- Beginners interested in developing skills and creativity through hands-on experiences
- Rising 6th–12th graders wanting to meet other creative students their age who are interested in art and design
- Students who are curious about the world around them and have ideas for how to make it better

### Online Application Opens March 1st!

*See website for  
other important  
registration dates!*

*Registrations after April 30,  
2021 will incur a \$50 late fee.*

### Financial Assistance Scholarships are available for those in need!

Application Deadline  
for financial assistance  
is April 16, 2021!

*See website for  
more details.*
