

To the Salem Middle School Community:

It is with great excitement that I introduce myself as the new Principal of Salem Middle School.

It is an honor to have the opportunity to work with a supportive community of stakeholders and educators focused on meeting the needs of every student, every day. I know that through continued collaboration, dedication, hard work, and a clear strategic vision focused on excellence, the students of Salem Middle School will continue to flourish and be well prepared for the challenges of middle school and beyond.

Over the past 15 years, I have had the great pleasure of serving the stakeholders of the Wake County Public School System as a teacher and school leader, most recently serving as the Assistant Principal for Instruction at Cary High School. As an educator and parent of three wonderful middle and elementary school aged children, I know the value of a strong school/family relationship and the impact it can have on a student's ability to reach their potential. I believe in establishing positive and productive relationships within the school community for the benefit of all students. I very much look forward to meeting each of you in the coming weeks.

With Spartan Pride,

Amanda Boshoff  
Principal, Salem Middle School
