Dear WCPHS Scholarship Chair/Counselor:

The Rotary Club of the Capital City is pleased to announce that it will again be awarding the Robert N Styres Scholarship this year. It is awarded to a Wake County public high school graduate who has been accepted at a four-year college/university or a two-year community college. Please refer to the following link to receive additional information regarding the Robert N. Styres Scholarship:
www.rotaryclubcapitalcity.org.

The value of the scholarship is a \$4,000.00 award per year, granted \$2,000.00 per semester. The Scholarship is **renewable**, as long as the student is enrolled full-time and is making satisfactory academic progress, not to exceed eight (8) consecutive semesters for a total award of \$16,000.00.

While academic achievement is important, the Scholarship is not necessarily intended for the young man or woman with the highest grade point average. Rather, we try to select a person with good to average grades who is a hard worker and who may have overcome some adversity along the way.

We are seeking **one nominated student from each public high school in Wake County** and would appreciate a nomination from you and your school. If multiple nominations from a school are received the one with the earliest post mark or first received will be considered. Our Scholarship Committee will review all applicants carefully, conduct interviews with the top four (4) rated nominees and announce two winners around early-May 2022. Please have your school's chosen nominee complete the enclosed application form and return via email with a transcript, letter of recommendation, and a letter or statement from the nominee (detailing their desire and need for the Scholarship) to eric@schrumpw.com **on or before April 10, 2022.**

Thank you for your assistance and please contact me if you have any questions. My contact information is below.

Sincerely,

Eric Schrum
