</Coding> Club, 3-5

Wake up with code and join us on Friday mornings at 8am for Coding Club with Dr. Scott (*Stough parent & PTA board member & coder*). We will use various programs such as Code.org, CS First, Scratch, and CodeSnaps to introduce students to fundamental coding concepts like logic & problem solving, app design & development, and programming basics like variables, control structures, and data structures. Coding Club is a fun, engaging opportunity for students to learn about coding and 1) develop an interest in an increasingly important skill and 2) a love for STEM.

Who: Grades 3-5 (Space is limited. Lottery system may be used, if necessary)

Location: Room TBD

Club Dates: Oct 6, Oct 13, Oct 20, Oct 27, Nov 3, Nov 17, Dec 1, Dec 8, Dec 15

Questions/Contact: Scott McQuiggan (scott.mcquiggan@gmail.com)
