CRAZY CHEMWORKS

This action packed program explores the chemistry of everyday life. Students will learn and apply the concepts, tools and techniques of real chemists with spectacular hands-on activities, stunning demonstrations, cool take-home projects and inquiry-based discussions. Kids will both learn and apply the concepts, tools and techniques of real chemists! They will experiment with super-sticky-stuff, explore glow-in-the-dark technology, mix potions, make slime, and grow crystals! Each Student will take home a full set of Mad Science lab gear. Crazy Chemworks serves as the perfect introduction to elementary chemistry!

** Projects may vary based on program duration.*
